GOLD CORDS AWARDED

GOLD AWARDS

The Guides of Canada, St. Albert Association, announced with pride presentation of the Gold Cord to Kathleen Vailie, daughter of Mr. J.A. Vailie, 17 Taylor Road, and Kathleen Hayes, daughter of Mr. Clarence Hayes of the St. Al-

bert St. Albert St. Guide Scouts. They are very proud of these girls and their achievements. The Gold Cord is an honor bestowed on Guides and Brownies. The Annual Kathleen Vailie Scout was held at the St. Albert Community Centre. Mrs. J. Vailie, daughter of Mr. J.A. Vailie, and her daughter Joan, Mrs. J. Hayes and her daughter Joan, Mrs. J. Vailie and her daughter Joan, Mrs. J. Hayes and her daughter Joan.

Clarence Hayes and Miss Marilyn Hayes, and Mr. & Mrs. J. McLeod. Mrs. Hayes made the presentation of the Gold Cord to her daughter Michele, and Mrs. McLeod presented her daughter Joan with her Gold Cord. The two Gold Cord girls then received gifts from their sister Guides and from the Local Association. Mrs. Kathleen Souther, assisted by Miss Pauline Vaughton then led the guides and brownies in a campfire sing-song and closed a lovely evening with Taps. The Association would like to have this opportunity to thank everyone who supported the Guides and Brownies on their Annual Cookie Day Sale, Saturday, May 1.

ST. ALBERT KINSMEN RODEO 104

The Kinsmen advise that plans for Rodeo 104 are proceeding on schedule and that arrangements have been completed to take delivery of complete rodeo facilities including six bucking chutes and all necessary holding pens. It is expected that the site of Rodeo 104 will become a veritable bee-hive of activity within the next few days.

A Kinsmen representative reports that official approval has been received from the Rodeo Cowboy's Association, Inc. of Denver, Colo. and that a recent meeting with Tom Butterfield of Ponoka, President of the C.R.C.A. proved very helpful. The most important event of the past week was the acceptance of St. Albert into the Central Alberta Stampede Association. Membership in this Association

Continued on page 2

Dr. Schwarz Resigns

Dr. Schwarz leaving St. Albert United Church pulpit

Members of this church, under United Church name, you will meet Dr. Schwarz because he resigns as minister of St. Albert United Church. In a short interview Dr. Schwarz informed us that he thought it was time for the church to have a change of ministers as he has been here 12 years. Dr. Schwarz has not yet made any definite plans for the future.

RODEO 104

continued from page 1

is a vote of confidence by other well established rodeos, and assures St. Albert of the only Professional Rodeo in Alberta on the 18th and 19th of June. All points won by cowboys contesting Rodeo 104 will be calculated in determining individual Champions in the Central Assoc., with all Champions to be awarded trophy saddles at the close of the season. These saddles are all hand tooled and have a value of \$250.00 each. Two of these trophies will be on display in St. Albert a week or two prior to St. Albert's big weekend.

As mentioned in last week's Gazette there would be five major events contested at Rodeo 104. The five are: Saddle Bronc Riding, Bareback Bronc Riding, Calf Hoping, Steer Wrestling, Brahma Bull Riding. In addition to the above each of the three performances of Rodeo 104 will feature a Girls Barrel Race with total prize money of \$100.00.

As promised last week we plan a brief outline of each of the five events and we shall begin this week with:

Saddle Bronc Riding

Bronc riding with a saddle is the event around which the first stampedes were built and it's still the classic of them all. Canada produced its first world champion in this event when Marty Wood of Bowmans, Alta. won \$18,771. for the 1956 buckle. Since Wood in 1956 two other Canadians have added their names to the championship roster - Winston Bruce of Calgary in 1961 and Leroy McLean, a Scottish-Indian from Okanogan Falls, B.C. in 1962.

Saddle bronc riding is a supreme test of skill with the odds stacked in favor of the horse. In rangeland practice, a severe bit and bridle allowed the rider to keep the horses head up. This automatically kept the animals rear end down and gave the rider a chance. Under rodeo rules there is no bit or bridle, just a halter and halter rope. The rider can just use reins and must hold on with only one hand, giving him no control whatever over the horse. The rider can be disqualified for: Failure to have his spurs over the horses' shoulders while his mount's front feet hit the ground on the first jump out of

the chute. Losing a stirrup. Touching the saddle or other equipment with the free hand. The rule lasts 10 seconds. Two judges each score the horse and rider from 1 to 25 points apiece, making the perfect ride - a near impossibility, incidentally - worth 100 points. The horse that bucks high and turns back, and the rider who spurs in while maintaining a good balance scores well. Next week watch for a most unusual story surrounding the beginning of bareback bronc riding as a rodeo competition.

FROM THE FIRE DEPARTMENT

Spring finally made it here and with the welcome season came spring clean-up time. This is the time to clean up and away with all the rubbish that usually accumulates through the long winter. A clean up program can mean a lot more than just beautifying your place; it also goes away with all the unsafe fire hazards, thus eliminating unnecessary fire loss. The month of April came close to being a fire free month, the Department only had one false alarm and one call, which was of minor nature being grass and rubbish with no fire loss. The best way to fight fire is to prevent it from starting; and with your cooperation, I believe, we can succeed in doing away with the dreadful fire losses that are happening every day.

W. Totarenko,

From Our Readers

Dear Readers,
Thank you again for your donations to

Viet Nam. The response was good, and far exceeded my expectations. How happy and very grateful these poor peasants will be. A special thanks goes to Johnny Austin who delivered these articles to the aircraft at Namao. There were several dresses, coats and suits which I donated to the Mental Health Assn. with the permission of the donors. Anyone wishing to donate to the needs in Canada are most certainly encouraged to do so in this particular field. Not only by donating good used clothes, but also by being a volunteer worker in any capacity in which you desire to serve. Those interested in volunteer work are invited to call Mr. Karl Beck at 422-4157. Clothing for the Assn. can be dropped off at 9934-106 St. or I will once more be pleased to pick them up. Call 599-7655, or you can drop them off at 15 Gretna Blvd.

FAREWELL PARTY FOR FATHER CHEVRIER

Mrs. Neil Ross, left, presented Father Chevrier with a portable TV and wished him success in his new post. Mrs. B.

Bourgeois, president of the Catholic Women's League, welcomed Rev. Father Lafrance, right, who is the new pastor.

WELCOME IN ST. ALBERT!

Father M. Lafrance, O.M.I., the new St. Albert Roman Catholic parish priest, was born in St. Paul, Alberta. He was Principal of the Indian Residential

School at Cardston, Alberta for many years, and until his appointment to St. Albert, was Provincial Superior of the Oblate Fathers for Saskatchewan and Alberta.

UNITED CHURCH

A highly successful Dessert Bazaar was held by the U.C.W. on Friday, April 30 in the Church Lower Hall. Strawberry shortcake was served and bazaar booths were operated by the five units of the U.C.W. The growth of the U.C.W. from 1 to 5 units in two and one half years has greatly strengthened the work of the ladies in the congregation and provided an invaluable means by which Christian witness is carried into the neighbourhood situations.

The 11 a.m. Sunday Service was conducted by the Student Assistant, Mr. David Irving, who spoke on the role of youth in Church life. The regular weekly Communion Service was conducted by Dr.

Ed Schwarz upon his return from serving Communion at the Winterburn Church. A Special Congregational Meeting was held following the Morning Service at which Dr. Schwarz reported that his resignation from the pulpit of St. Albert United Church, effective 30 June, had been received and approved by the Congregational Presbytery at its last meeting. A Pastoral Relations Committee was elected by the congregation for the purpose of considering applicants for the position and placing their names before the congregation for final approval.

The 7:30 Evening Service was the final evening service of the season and completed the series on the Apostles' Creed begun by Dr. Schwarz last October. Early in the service the Sacrament of Infant Baptism was observed and the following were baptized: John Edward, son of Mr. & Mrs. R.R. Harvey of Greenwich Area, and Peter James and Michael Dean, twin sons of Mr. & Mrs. R.J. Fee of Sunset Blvd. Following the sermon, the Sacrament of Adult Baptism was observed and Miss Ida A. Matheson came forward to profess her faith. Mrs. E.G. Role sang at the organ.

Events of the Coming Week

Sun. May 9: Church School, Nursery, Tiny-Tots and Morning Service at the usual times. Letters of Transfer will be received at the Morning Service and the formal installation of the new official Board Members will be held.

Mon. May 10 U.C.W. General Meeting 8:15 p.m. The Program Convenor regrets to announce that Mr. & Mrs. Findlay, missionaries to Korea, will not be attending this meeting, as Mrs. Findlay has been admitted to hospital. They will attend a later U.C.W. meeting to show their slides and to speak on Korea.

Tues. May 11 Session-Minister Fellowship at the Manse, 7-8:30 p.m. Adult Bible Study 8:30 - 10 p.m.

Thurs. May 13 Choir Practice 8:15 p.m.

 HURRAH!!!!

THE

St. Albert
 Gazette

Film Program Sunday, May 9 3 p.m.
Forest Wardens A story of British Columbia's vast forest industry and the measures being taken to preserve it. Fred Davis interviews men whose main concern is forest conservation. Education of the public in the need for protecting their valuable heritage against fire is well demonstrated in the activities of the Province's junior forest wardens and the South Vancouver Island Rangers.
Flagged for Action A factual presentation of Manitoba's traffic safety program. How the program is carried out is illustrated in the experience of Ron McBride, a travelling salesman with years of driving experience, who is "flagged for action" by an R.C.M.P. officer. At police headquarters he is confronted with a long list of infractions and is ordered to take a new driving test. A system of careful and detailed records on performance of all registered motorists in the Province is helping to reduce the accident rate, even though the number of vehicles has quadrupled in recent years.

ST. ALBERT & DISTRICT CHAMBER OF COMMERCE

The Chamber has undergone an important change since it decided to drop the August first Civic Day Parade and Fair events sponsorship. During the past three years a small number of chamber members spent an excessive amount of time from April to September on this event, with the result that other important things of concern to the chamber were neglected. The chamber will re-form the following committees: Civic Affairs, Industrial and Commercial Development, Membership and Finance, Publicity, Program and Public Relations, Hospital Story, Agricultural Membership.

At a recent meeting of some of the executive with Mr. A. Hickey, the Western Representative of the C. of C., the following points were discussed: Farmer memberships, Industrial survey of the Town, Remuneration for a full time secretary, Civic Affairs Committee, Financial

Independence of the Chamber and its relationship with the Town Council. Farmers Membership Mr. Hickey said that Lacombe had been very successful in getting farmers to join the Chamber. Chamber of Commerce plaques were made and affixed to the gate of each farmer who joined. The idea was to encourage farmers to deal in Lacombe, rather than Red Deer. This was very successful and your executive feels that a similar scheme could benefit St. Albert.

Industrial Survey Some Chambers in Western Canada have organized an industrial survey by an expert consultant. Industries who belonged to the Canadian Chamber were contacted through the National office and encouraged to locate in the Town. In one case (St. Paul) the Chamber decided to forget about industrial promotion and develop the Town as a sup-

CHAMBER *continued from page 7*

ply centre because all of their efforts at industrial promotion had been negative. Your executive feels that money spent on an industrial survey would be a good investment.

Secretary Many Chambers are now hiring secretaries on a semi-permanent basis. This provides continuity to the work of the committees and facilitates the annual change-over of the executive. The Chamber is going to try this for a sixmonth trial period and spend about \$25. per month to start.

Town Council Many Chambers have a member who attends every Town Council meeting, so that the chamber can keep up to date on Council matters which affect the business community. Many Town Councils refer matters to the chamber first for their opinion before they officially deal with them. The executive feels that our chamber should work more closely with our Town Council in this manner. Many chambers try to raise their funds without assistance from the Town so that they can be financially independent. This chamber receives a substantial portion of its revenues from the Town. Even

The next A.Y.P.A. meeting will be held Sunday, May 4 at 7 30 p.m. at the home of Mr. & Mrs. J. Whitten, Rt. 1, West Trail. (First time on the right) - Arrived from camper at 10:00. Three students were observed. Police being seen. Good night.

The next meeting of the Yankee Club will be held May 1st (Friday) at 8:00 P.M. at which time Mrs. Willard, retiring after 14 years as president will introduce the new executive for the coming year. The ladies elected were Mr. Mary Laine - president, Mrs. Willard - secretary, Mrs. Maria Bryan - treasurer.

A variety concert will be presented to the patients of the Franklin Home, Franklin, May 7 at 7 p.m., by Mr. Dan C. Conner, of the Knights of Columbus and his associates. It is reported that a number of the Auxiliary will be present.

CHERCHER la FEMME *continued from page 12*

of office ends this year. Lunch was served.

Triple M (Mr. Miss and Mrs.) will meet Friday, May 14th. A tour of Queen Elizabeth Planetarium is planned for that evening. Departure from the St. Albert United Church will be at 8:05 p.m. sharp! Following the tour, refreshments will be served on return to the church. A fee of 50¢ per person for admission to the Planetarium will be charged. For further information, call Mrs. Phyllis Smith 599-6042.

The Chi Chapter, Beta Sigma Phi met Apr. 28th at the home of Mrs. S. Smith, 42 Belmont Drive. Mrs. D. Sinclair and Mrs. Loria Melnychuk gave the program - The True. They spoke on the search for truth in the Great Religions, and in the works of Great Thinkers. Chi Chapter is sponsoring Miss Jeanne Houle, Mission Park, as Queen Contestant for the forthcoming Rodeo. Several members attended the annual Founders Day Banquet and Dance last Saturday at the Hillcrest Country Club.

Mrs. P. Ronniter, Mrs. J. M. Austin and Mrs. A. Vandenbos attended the Girl Guide and Brownie Commissioners and Local Association Annual Meetings in the MacDonald Hotel on Thursday, April 29 and

Friday, April 30.

We would remind all mothers and fathers of the General Meeting of the Local Association to be held in the Legion Hall on Thursday, May 13th at 8:15 p.m.

HELP YOUR NEIGHBOUR

For emergency assistance, call 599-6601 (Town Hall)

This newly formed group's services have already been put to good use, and the registered volunteers have been able to cope with the calls to date, reports Mrs. June Leggett, co-ordinator. However, should the calls increase, more volunteers will be required for each area. Those who feel that they could devote a few hours of their time to assist their neighbor when it is the most needed, please call June at 599-7475.

MOTHER'S DAY

MAY 9, 1965

The approach of Mother's Day, often brings on mixed feelings, these may be of sorrow, eagerness and gratitude. Young children look forward, older ones look back. Whatever category we fit in, may you all enjoy it, as it was intended you should. To all Mothers, a very Happy Day!

AMATEUR NIGHT

The Sir Alexander Mackenzie Home & School Association is sponsoring an Amateur Night May 12, 7:30 p.m. in the

Auditorium of the Sir Alexander Mackenzie School. The students are proud of this opportunity to show their talents. Trophies will be presented. Come and give your vocal support!

ELECTION NEWS

Election Candidates

Dick McGee - former councillor, definitely will not run in the July election.
Ric and Wheatley - lawyer, resident of our town. Possibly will run for council in the forthcoming election.

mises to be the best. Big time hockey personalities will be in attendance to speak and present this year's awards. Tickets are now available from any of the coaches at a cost of \$1.00 for Lads and \$1.25 for Dads.

Dad, be sure to take your son to the supper.

Registration for Spring Ball

Registration for girl's softball and boy's baseball will be taken at the schools this week. Those not registering at school may register at the Fire Hall between the hours of 8:30 a.m. and 5 p.m. daily. All players must be signed up by May 14, 1965, in order to play. Volunteer coaches and umpires for the boys and girls teams, please contact the Recreation Director at 599-8623.

Note of Interest

The purpose of the Recreation Department is to supply leadership, facilities and program. In order to do this, it is necessary to have adequate developed land. Let's get behind the Parks bylaw in the July 7 election.

It might be interesting to note that Boston did not plan for sufficient parkland and in February of this year, the Recreation Department paid 3 1/2 million dollars for two acres of land. It makes our parkland cost seem reasonable.

Some Tips on Garden Planning

(by A.R. GATE - Supt. of Parks)

"How to have the most garden with the least effort"

— Divide property into logical sections - "Public area", facing street. "Private area" or play and pleasure garden where hobby and playgrounds are situated.

— Keep lawn area open and simple; avoid difficult curves and kinks or hard-to-mow corners.

— Place trees and shrubs inside beds wherever possible thus avoiding hand clipping and edging of the lawn.

— Put corrugated metal or masonry edges around beds for firm edge that won't need hand clipping or edging.

— Keep plants back from the edge of bed so mower wheel can straddle edging and cut grass without injuring plants.

— Use stepping stones or pavement on heavily travelled areas to

absorb the wear.

— Plant for privacy and for windbreaks to protect the living areas from view and from cold winds.

— Choose plants in scale with house and other plantings; thus low houses with low-growing shrubs and small trees; tall houses with bigger shrubs and tall trees.

— Under windows use plants that won't obscure view in later years. Always choose plants that stay within bounds.

— Don't overcrowd plants; leave room for flowers to grow.

— Don't use too many kinds of plants or a restless effect may ensue.

— Choose perennials that don't need frequent division. Plant bulbs in perennial border, following them with annuals for full season effect.

— Place flower and shrub beds where they can be easily cared for from lawn or walk.

Services

ROMAN CATHOLIC CHURCH 599-6058
